Dear Families:

As a valuable member of our educational team, we honor your support and dedicated energy as we work together to make each and every school day a success for your child.

We encourage close communication with your child's teacher, as well as encouraging you to contact the staff or administration for any questions you may have. Your understanding and involvement is the hallmark of our success here at Greenhills.

This Parent Handbook will outline the policies and procedures we use to make our school great. Take time to review the contents with your child so that we can all be familiar with the direction we are taking.

I am happy to meet with parents and students to discuss the information contained in this handbook, or any other issue that may arise.

Sincerely,

*Helena Johnson, Ms.*

Principal

## **ABSENCES**

When your child is absent from school, state law requires verification of absence.

**Please call our attendance line, (916) 791-6030.** We have added an email method to contact the attendance clerk. Please see the Greenhills website for the email address of the clerk. If you notify the teacher of the absence, **please also notify the office.**

If you have advanced notice of an unavoidable absence of 5 or more days, you should request an **Independent Study** packet from your child's teacher. **Five working days prior notice** is required to receive an Independent Study Contract. All contracts must be completed prior to the last week of school. No new Independent Study Contracts will be started during the last two weeks of school. No Independent Study Contracts will be granted during the CAASPP testing window.

Since learning is directly related to the amount of instructional time given to a student, regular and prompt attendance is vitally important to a successful school experience. ***We ask that you minimize disruptions to the school day by scheduling doctor or dental appointments after school whenever possible.***

## **ATTENDANCE**

Regular and prompt attendance is vitally important to a successful school experience. Recognizing this importance, we urge you to encourage **perfect attendance** except in cases of illness or extreme emergency.

Each Trimester we recognize students who achieve Perfect Attendance. The state takes attendance ***and funds schools only for actual attendance days.*** Any time your child is absent there is a loss of revenue for our school.

Students with a **pattern of tardy arrival or excessive absences will receive a letter** which outlines the seriousness of the situation as well as explaining what next steps could result if the pattern continues. Habitual truancy, while very rare, does result in legal proceedings.

## **ANIMALS ON CAMPUS**

For the safety and health of students and staff, **NO animals (with the exception of service animals) are allowed on campus at ANY time.** This includes arrival and dismissal times as well as after hours. Special exceptions may be made for academic related animals to be on campus with the proper insurance and authorization and

with administrative approval.

## **ARRIVAL AND DISMISSAL**

- For safety and supervision purposes, students must not arrive at school earlier than 7:35 to begin school at 7:50am.
- Students arriving late should go directly to the school office.
- All students should go directly home following the close of the school day.
- ***Prompt pick-up at the end of the school day is appreciated by both students and staff.***

## **BAD AIR DAYS**

On days when the air quality is predicted to be in the unhealthy range, our office uses a website ([www.sparetheair.com](http://www.sparetheair.com)) to track current conditions. At such time as an unhealthy level is reached, students are kept indoors for the remainder of the day.

## **CONTACTING A TEACHER**

Teachers welcome your notes and calls. Please don't hesitate to call if you have a question or concern. Teachers are typically available to accept phone calls from 7:30-7:40 a.m. and immediately after school. The office will take messages any time and the teacher will return the call as soon as practical. At the beginning of the day or any other student transition times are not ideal for a quality discussion about your child. Conferences can be easily arranged through a note or a phone call. You may also email your child's teacher at school using the teacher's first initial and last name followed by @eurekausd.org (For example, to email Mr. Norm Smith you would use the following address: [nsmith@eurekausd.org](mailto:nsmith@eurekausd.org)).

## **COMMUNICATION**

Our school routinely sends information about the school operations home with students. The bulletins contain facts about the educational program, dates of school activities, and other important items.

- **Weekly Wednesday Folders:** Contain bulletins, notices, school work, and other information are put in the weekly folders. Please review all notices and return the following day.

- PTC Facebook Page: <http://bit.ly/GHFacebookPTC>
- PTC: [https://www.instagram.com/greenhills\\_ptc/](https://www.instagram.com/greenhills_ptc/)
- Greenhills Website: Check the website frequently for upcoming events and information.
- School Messenger: This program makes it possible to notify parents by phone and email, in case of emergency, or to make important announcements. It is important that phone numbers and email addresses on record, at the school office, are accurate in order to receive “School Messenger” announcements.

## **DAYCARE - STAR**

Before and after school daycare is available onsite through the STAR program, which operates in collaboration with the Eureka Union School District. The STAR program is located in Portable 6 (P6). For more information including space availability and rates call (916) 791-8448 or go to [www.starsacramento.org](http://www.starsacramento.org)

## **DRESS CODE**

Parents and students are encouraged to use good judgment when selecting clothes for school.

- Shorts of a modest length are permitted.
- Shirts with offensive slogans are not to be worn to school.
- Shoes must have back straps. Flip-Flops, clogs, or sandals without back straps are inappropriate for daily P.E. activities and should not be worn to school. No Heelys or rollers are allowed in shoes.

## **DROP OFF & PICK UP**

All student drop off and pick up is to be in the parking lot in front of the office. This area has been specifically designed for this purpose. It is also supervised both before and after school. Use the entrance from Greenhills Way to enter our parking lot and leave the school at the Seeno exit.

- The yellow lane closest to the curb is for loading and unloading only - just long enough to drop off or pick up. Parking in this area is not allowed.
- The other lane is designed for flowing traffic. Do not stop to pick up children in this lane. Not only would this block traffic, it puts children in danger.

- Park only in designated spaces. Please do not block driveways or crosswalks.

## **DROP OFF & PICK UP (Cont.)**

**Please do not use cell phones in the parking lot.**

**For everyone's safety please drive slowly on and around campus and exercise extreme caution!**

## **EMERGENCY CARDS**

Please be sure that Emergency Cards in the office are **KEPT CURRENT**. In the event your child becomes ill or is injured at school, we must have a current and working phone number where we can reach you or a designated substitute. If you have a change in address, please contact the front office (96) 791-4230.

## **FIELD TRIPS**

Each grade level has special field trips that they take throughout the year. These trips provide on site experiences that enhance and reinforce the classroom curriculum. Students are responsible for bringing permission slips to school when field trips are planned. Donations may be collected to pay for the field trip. Please be prompt in returning your child's field trip permission slip.

## **FORGOTTEN ITEMS**

**Please bring forgotten lunches, homework, etc. to the office to minimize classroom disruptions.** Clearly mark items with both student and teacher's name. Instruct your child to check in the office for any forgotten items.

## **HEALTH SERVICES**

A school Nurse is at Greenhills School one day per week. Throughout the year we screen children for vision and hearing and assist with health units in the classroom. We will be glad to provide information and assistance for any health problems your family may have. Greenhills also has an on-staff Health Assistant in the office 5 days a week.

Children who appear to have a problem in the initial testing in any of the health screenings are retested to assure that the test results are accurate. If the nurse feels the child should be seen by a doctor, vision specialist or dentist, a referral slip will be sent home and/or phone calls made to discuss the problem. If your child is referred and you need help in obtaining care, the nurse will be glad to assist.

Students that are injured should bring a note signed by the doctor stating whether or not the student should participate in regular activities. Students who have a medical reason for missing PE, will also be required to not participate in recess play. Any student with assistive devices: (canes, crutches, etc.) will be required to have a doctor's note.

## **MEDICATION TAKEN AT SCHOOL**

By state law, no child is allowed to be given ANY medication, over-the-counter or prescription, by the school without a form signed by the DOCTOR AND PARENT. Without this authorization, you must come to school and administer the medication yourself. Forms are available in the school office for your convenience. Please do not send medication of any kind (even cough drops) with your child in his/her lunch, etc. This law is to protect all students and your cooperation is greatly appreciated. If you have any questions, please feel free to call the school nurse who is at Greenhills School on Wednesday or our Health Assistant who is on site daily.

We will keep you informed throughout the school year by phone, note or in person. We encourage you to check with teachers any time you have a question regarding your child's progress.

Formal reporting procedures include:

- *Back to School Night* is held early in the year, at which time the teacher explains the school program and answers any questions from parents.

### **INTERVENTION GROUPS**

Intervention is designed to help children who are having difficulty in reading or math. Intervention instruction is in addition to the instructional time provided in the regular classroom. Parents are always welcome at school. We encourage you to visit your child's classroom. All classroom visits should be coordinated with the teacher beforehand.

1. For the security of all, you **must sign in** at the office and obtain a visitor's badge. Yellow VIP lanyards may be issued to volunteers. If so, they should be worn at all times when you are on campus. **Lanyards do not eliminate the need to sign in.** They do give us a fun and visible way of identifying parents from a distance.
2. If one wishes to visit a class and observe a certain subject area, determine in advance the time of day the subject is taught. Time your visit to coincide with the beginning of the lesson. It is our intent that regular classroom procedures not be interrupted.
