BOOK FAIR Is A Wrap!

From Our Book Fair Leads, Erin Hegedus & Joy Dubrow:

Book Fair 2024 was a great success! We exceeded our sales goal for the year, and we were able to grant all our wonderful Greenhills teachers' wish boxes. Thanks to all Greenhills families for their support. Most especially, we would like to thank Ms. Gina and Ms. Monika in the office who helped us in so many ways. They are the quiet book fair heroes! VIP days were a great success, special thanks to all the VIP's who took time out of their day to eat lunch or play with their favorite Cubs!

We would also like to give a big shout out to Karyn Fisher who shadowed us this year and will be taking on the role of co-lead for next year's book fair. Karyn is book fair MVP!

We could not have a book fair or earn funds to purchase books for the classroom or school library without the book fair. Money earned also bought much of the flexible seating your cubs may have told you are making their way into their classrooms. That being said, book fair would not have happened this year without these amazing volunteers: (In no particular order)

Amber Berry, Margaret Schroeder, Jessica Hansen, Diana Tanner, Kara Vorhees, Fang Lu, Corinne Patterson, Jen Gilmore, Brittany Rodriguez, Moline Sepahmansour, Deborah Sackman, Jessica Beckmeyer, Ali Bertolina, Sarah Modeste, Megan Lopez, Tana Long, Farnoosh Sheikhi, Nicole Jones, Kristen Bruque, Kaitlin Jacobs, Angie Korenko, Raquel Smith, Kellen Prindiville, Lisa Becker, Jennie Crawford, Nicole Crew, Lara Baldwin, & Carolyn Hames

Happy Reading,

Joy Dubrow and Erin Hegedus

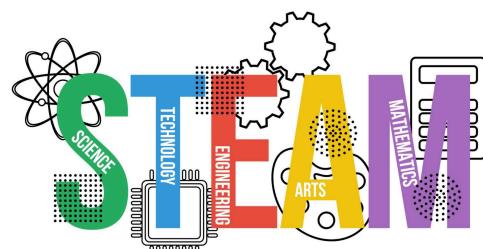

Huge Shout out to our two AMAZING Book Fair Leads, Joy & Erin. Your time and dedication is so very much appreciated and this book fair would not have succeeded without YOU BOTH!

Recess Remix

We are coming to a close on Recess Remix for the year! It has been a really fun experience for both our volunteers and our students. If you have already volunteered for Recess Remix **"THANK YOU"**, if you have not, please consider volunteering before the year is done. We would LOVE to get all of our remaining spots taken, beginning on **April 2nd** through **May 23rd**. Remember all supplies are included and activities can be: board games, arts and crafts, play doh, legos, active activities like lawn games, etc...or feel free to get creative!

[Sign up Genius](#)

It's Engineering Time with Ms K! We are so excited about the next two weeks. Your students will be learning based on the curriculum from the Museum Of Science in Boston. Check out the Flyer and see all the fun in store! [ENGINEERING WEEK](#)
